

Used Res & Res/Type Tester For Sale

We have 2 used (demo) testers for sale. They are in good working condition; just have some cosmetic wear and tear. They are for sale with a 90 day warranty on the electronics. Both have used Cascade C4S probe heads. Here's an opportunity to get a great tester at a real bargain. All accessories may NOT be included. Inquire.

Sort-It PFP: this one's programmed for .5 ohm wafers 600-700um thick. We'll re-program it to your specs for an extra \$50.00. Lists new for \$1095, we'll sell this one for \$700.00 as programmed or \$750.00 if we reprogram it. Here are specs:
